 collette

An aerial photograph of a river valley. A large, multi-decked cruise ship is navigating a sharp bend in a vibrant blue river. On the left bank, a large, historic stone castle with multiple towers and battlements sits atop a lush green hillside. The right bank features a small town with several buildings and a road following the river's curve. The surrounding landscape is filled with dense green forests and rolling hills under a bright blue sky with scattered white clouds.

The logo for 'ocollette' features a white globe icon with a grid pattern, positioned to the left of the word 'ocollette' in a clean, white, sans-serif font. The background is a wide-angle photograph of the Blue Lagoon in Iceland, showing turquoise geothermal water, steam rising from the pools, and snow-covered rocks and buildings under a blue, overcast sky.

CLASSICS

A wide-angle photograph of the Cliffs of Moher in Ireland. The cliffs are layered and rugged, extending from the left side of the frame towards the right. The sea is a deep blue, with white foam from the waves crashing against the base of the cliffs. A small, isolated rock formation stands in the water. The sky is a mix of blue and orange, indicating a sunset or sunrise. The foreground shows a grassy slope.
